Expanding Your Horizons
In Mathematics and Science

A Conference for Young Women Interested in More Career Options

Hosted by the American Association of University Women, Nacogdoches and Stephen F. Austin State University
Baker Patillo Student Center, Stephen F. Austin State University
Saturday, March 3, 2018  8:00 a.m. - 1:30 p.m.

Why Should You Come?
Would you like to be a veterinarian?  A doctor?  A chemist?  An engineer?  A lawyer?  These careers are all choices for women, and many involve math, science or both.  Discover how exciting, interesting, and fun working in these areas and many more can be.  Learn about careers of women in mathematics, science and other nontraditional fields by attending hands-on workshops.  Form personal contacts with women working in these fields.  Meet other young women interested in these areas.
